

## Upcoming Classes And Demos By Mike Hyrman

---

### Watercolor class for the very beginner

Saturday, 1/23/10 ~ 9:00am – 4:00pm with a break for lunch

Saturday, 4/10/10 ~ 9:00am – 4:00pm with a break for lunch

\$60 for Artcenter members, \$75 for non-members

(All attendees will be given a \$25 certificate good toward a future class)

If you have been hesitant to take a watercolor this class is for you. Through demos & one on one specific instruction, Mike will show you the very basics of watercolor painting. Topics covered will include basic color understanding, drawing accurately, compositions that work, light and shadow, painting soft edges and creating depth in a painting

**All professional paint, brushes and paper for the class will be supplied! Class size will be limited, so sign up early. Enrollment deadline is 1/16/10 for the 1/23/10 class and 4/3/10 for the 4/10 class**

---

### Watercolor portrait demo

Saturday, 1/30/10 ~ 10:00am – 4:00pm with a break for lunch

Saturday, 4/17/10 ~ 10:00am – 4:00pm with a break for lunch

\$45 for Artcenter members, \$60 for non-members

(All attendees will be given a \$25 certificate good toward a future class)

Mike will demonstrate simple things to watch for that help bring out the likeness of your subject, bring emotion to the painting, vibrancy to the flesh and depth to the image. Mike will help you see small nuances that make a portrait (or any painting) work.

### Watercolor class, all levels

Wednesdays, starting 2/3 ~ 4:30pm – 7:30pm, for 8 weeks

Tuesdays, starting 4/20 ~ 4:30pm – 7:30pm, for 8 weeks

\$260 for Artcenter members, \$280 for non-members

By using many demonstrations and very specific one-on-one instruction, Mike will address every step of your painting. Mike specializes in portraits, but any subject matter is welcome. Bring your own reference photos or work with Mike's, or he can provide you with a complete painting project with a template.

This is a fun class where you'll learn a lot.

Mike will also offer an optional segment where he shows students how he uses computers and a digital camera to help him create artwork.

Beginners and advanced students are welcome.

A complete description of recommended materials is listed on [www.mikehyrman.com](http://www.mikehyrman.com) under the Workshops page.
